### What Jesus Can Do with What We Offer:

In John 6 – we read the story of a young boy who offered his lunch of five loaves and two fish to help feed the multitude that had gathered to hear Jesus Christ. Jesus took what seemed to be a small amount to the disciples – blessed it and then multiplied it many times over to feed the crowd.

Texas Baptist Men would like to invite the Royal Ambassadors and Challengers to participate in the World Hunger mission project. Please join us in prayer and begin raising money that can be used for this mission project. Please bring a check made out to Texas Baptist Men with the amount that you collect to the Campout & Missions Mania event in November and be sure to note on the check that the funds are for the World Hunger offering. All funds will be used for World Hunger.

Groups that participate in the World Hunger mission project and come to the Campout & Missions Mania event will receive a "For I Was Hungry And You Fed Me" patch.
