CABINET BUILDERS

The Cabinet Builders have set up shop in the new Pigott Building in Dallas to do small jobs that would be difficult to do otherwise. We recently completed work for FBC Buffalo Gap and are planning a project for the Cowboy Church of Corsicana. We hope to begin work on May 6 and should be finished by May 15. RV accommodations are available at the building and day workers are welcome. I could use 4 or 5 workers for this project. Call before you come to Dallas in case something changes.

We will be starting a large project in Brenham on May 20. We will be setting up at Miracle Farm which is located at 10802 FM 2621, Brenham, Texas. We'll be there for at least a month and the plan will be to work for two weeks and take a week break and come back to finish. We'll be building for Mill Creek Baptist Church of Belleville and then for the new group home for Miracle Farm. The RV accommodations are very limited so let me know if you'd like to come. We'll be partnering with VCB on this job.

God Bless,
