

“Mile for Missions – For Disaster Relief”

“Mile for Missions” is a mission project to help raise pennies for disaster relief. We are encouraging Royal Ambassadors and Challengers groups to adopt this mission project throughout this year to help raise funds to be used in disaster relief efforts. Patches are available for groups that participate in the mission project. For more information contact Keith Mack at keith.mack@texasbaptistmen.org or call (214) 275-1123.

Did you know that:

One penny is $\frac{3}{4}$ " wide.
