

SEPTEMBER 2018

CHURCH BUILDERS

September 10 - 21, 2018

Brown County Home Solutions
1101 Avenue D
Brownwood, Texas 76804
Director: Angelia Bostick (325)642-4749
Building Chairman: Glenn Williamson (325)642-0411

This is an unusual job. We will be constructing 4 tiny houses which will provide shelter for homeless people in Brownwood. Each will measure between 465 and 525 sq ft. We will construct these frame homes from the slab up. The houses are a joint effort of the county, city and Coggin Avenue Baptist Church which is the home church of Keith and Sherri Marshall's son and family. This is phase 1 and they hope to eventually construct 16 tiny houses on the property. As I said, it is an unusual job, but what a witness it will be to Brownwood and the surrounding area. We pray we will have a good turn out. The weather hopefully will be cooling off.

Directions to the building site and parking:
Traveling FM 2524 pass Howard Payne University's Douglas McArthur Academy of Freedom. From that direction, turn Rt onto Avenue D. There is a Subway and Pizza Hut on the Corner of Austin and Ave. D. Travel 1 block and the build site can be seen at the stop sign, corner of Ave D and Durham. Adjacent to the build site is an abandoned rock church, Ave D Baptist Church, who donated the property for this project.
